Foreword	xi
Preface	xv
Acknowledgements	xvii

Volume 1

Section I : General Laparoscopy

1. Evolution of Laparoscopic Surgery	3
2. Instrumentation and Imaging System in Laparoscopy	11
3. Anesthesia for Laparoscopic Surgery	35
4. Sterilization and Disinfection of Laparoscopic Instruments	49
5. Laparoscopic Space Access	59
6. Laparoscopic Hemostasis	69
7. Laparoscopic Tissue Approximation	85
8. Laparoscopic Ultrasound	109
9. Staging Laparoscopy in Malignancy	119
10. Room Layout, Troubleshooting and Complications of Laparoscopy	129
11. Laparoscopy in Pregnancy	141
12. Diagnostic Laparoscopy - Indication, Tuberculosis and Adhesiolysis	153
13. Reoperative Laparoscopic Surgery	179
14. Hand Assisted Laparoscopic Surgery (HALS)	191
15. Video Assisted Thoracic Surgery (VATS) and Thymectomy	201
16. Robotics in Laparoscopic Surgery	215

Section II : Esophagus And Diaphragm

17. Anatomy of the Mediastinum, Esophagus, Hiatus and Diaphragm	229
18. Laparoscopic Management of Achalasia Cardia	257
19. Laparoscopic Management of Gastro Esophageal Reflux Diseases	279
20. Laparoscopic Repair of Paraesophageal Hernia	301
21. Laparoscopic Management of Diaphragmatic Hernias	313
22. Thoracoscopic/Laparoscopic Management of Benign Esophageal Diseases	341
23. Foreign Bodies in the Foregut - Minimally Invasive Approach	367
24. Minimally Invasive Surgery in Esophageal Carcinoma - Current Concepts	381

25. Thoracoscopic Esophagectomy	397
26. Laparoscopic Transhiatal Esophagectomy	415
27. Laparoscopic Esophagogastrctomy and Intrathoracic anastomosis	425

Section III : Stomach and Duodenum

28. Laparoscopic Management of Peptic Ulcer Disease	435
29. Laparoscopic Duodenojejunostomy for Wilkie's Syndrome	461
30. Laparoscopic Management of Gastric Volvulus	469
31. Laparoscopic Surgery for Obesity	479
32. Laparoscopic Gastric resection for Benign Tumors	495
33. Laparoscopic Gastrectomy for Gastric Malignancy - Current Concepts	509
34. Laparoscopic Distal and Total Radical Gastrectomy	527

Section IV : Gall bladder

35. Biliary Anatomy	545
36. Laparoscopic Cholecystectomy	555
37. Intraoperative Cholangiography	585
38. Laparoscopic Management of Acute Cholecystitis	593
39. Difficult Cholecystectomy	607
40. Laparoscopic Cholecystectomy in Cirrhotic Liver	635
41. Laparoscopic Retrograde Cholecystectomy	641
42. Laparoscopic Modified Subtotal Cholecystectomy	647

Volume 2

Section V : Common Bile Duct

43. Laparoscopic Bile Duct Injury and Management	659
44. Laparoscopic Treatment of Common Bile duct Stones	675
45. Laparoscopic Choledocal Cyst Excision	701

Section VI : Liver

46. Laparoscopic Hepatic Surgery	723
47. Laparoscopic Management of Benign Non-parasitic Hepatic Cysts	747
48. Laparoscopic Management of Hydatid Cyst of the Liver	757
49. Laparoscopic Hepatic Resection	785
50. Laparoscopic Radio frequency Ablation in Hepatic Malignancies	807

Section VII : Spleen

- | | |
|----------------------------------|-----|
| 51. Laparoscopic Splenectomy | 819 |
| 52. Laparoscopic Mesh Splenopexy | 839 |

Section VIII : Pancreas

- | | |
|---|-----|
| 53. Laparoscopic Pancreatic Surgery | 851 |
| 54. Role of Laparoscopy in Acute Pancreatitis | 871 |
| 55. Laparoscopic Pancreatico Jejunostomy | 889 |
| 56. Laparoscopic Distal Pancreatic Resections | 899 |
| 57. Laparoscopic Whipple's Procedure | 919 |

Section IX : Small Bowel

- | | |
|--|-----|
| 58. Laparoscopic Appendectomy | 943 |
| 59. Laparoscopy in Small Bowel Obstruction | 971 |
| 60. Laparoscopic Management of Intussusception | 989 |
| 61. Laparoscopic Excision of Meckel's Diverticulum | 997 |

Section X : Colon and Rectum

- | | |
|--|------|
| 62. Laparoscopic Colorectal Surgery | 1009 |
| 63. Laparoscopic Colectomy | 1029 |
| 64. Laparoscopic Total and Subtotal Colectomy | 1047 |
| 65. Laparoscopic Anterior Resection | 1061 |
| 66. Laparoscopic Abdominoperineal Resection | 1081 |
| 67. Laparoscopic Management of Rectal Prolapse | 1095 |

Section XI : Pediatric Surgery

- | | |
|---|------|
| 68. Laparoscopy in Pediatric Surgery | 1113 |
| 69. Laparoscopic Management of Midgut Malrotation | 1123 |

Section XII : Hernia

- | | |
|---|------|
| 70. Laparoscopic Transabdominal Preperitoneal Hernioplasty (TAPP) | 1137 |
| 71. Laparoscopic Totally Extra Peritoneal Hernioplasty (TEP) | 1151 |
| 72. Laparoscopic Repair of Ventral Hernia | 1169 |

Section XIII : Urology

- | | |
|--------------------------------|------|
| 73. Laparoscopic Adrenalectomy | 1191 |
| 74. Laparoscopic Nephrectomy | 1205 |

Section XIV : Gynecology

- | | |
|-------------------------------|------|
| 75. Laparoscopic Hysterectomy | 1217 |
| 76. Laparoscopic Myomectomy | 1233 |

Section XV : Miscellaneous

- | | |
|--|------|
| 77. Video Documentation | 1241 |
| 78. Minimally Invasive Surgery - Is Future Perfect ? | 1253 |

The Institution called GEM Hospital	1259
